

Community Woodland Network Conference details

The Community Woodland Network Conference will take place at Stoke Rochford Hall in Lincolnshire on Saturday 28th and Sunday 29th July this summer. I think you will agree we have got an excellent programme lined up for you, so I hope you will be able to join us.

So that we can process the bookings easily and efficiently can you please complete the booking form and return by post.

Two places are available for your group at the subsidised rate of £23.50 per person inc VAT. Two more members of your group can attend at the full conference rate of £108 per person inc VAT. Any additional contribution above the basic £23.50 for your first two members will be gratefully received. The conference package includes:

- all talks and workshops,
- outdoor exhibitors,
- refreshments,
- three course evening meal,
- coach travel to and from the off campus accommodation (if applicable)
- bed and breakfast,
- coach travel to and from Hill Holt Wood
- the opportunity to network with all of the other woodland groups!

As mentioned above, this year some of the accommodation will be off site due to part of Stoke Rochford Hall being refurbished. Therefore, we will offer the rooms at Stoke Rochford on a first come first served basis.

We have a number of twin rooms available, so can you please indicate if you are attending as a couple or if you are happy to share a room with another of your group.

Stoke Rochford Hall is a few miles south from Grantham off the A1, if you require a lift from the station please let us know and we can arrange transport from Grantham.

Can you please bring suitable footwear for the wood visit and out door workshops.

It would also be good if you can bring along a poster of what you do at your wood - there will be a prize for the best one!

If you would like further details on the venue please have a look at Stoke Rochford's website which is: www.stokerochfordhall.co.uk Directions will be sent out with your booking confirmation.

Finally we have had some mobile phone recycling envelopes made up . Each bag is coded so any mobile phones recycled using them will mean £2.50 will go towards the conference costs. If you think you can distribute any please let me know and I will get some in the post to you.

We look forward to seeing you in July

Regards Paul.
