

EXHIBITORS NOTES

WELCOME to The Regions Largest Green Living Show in 2006

CHANTRY PARK, IPSWICH

Schools Day 23rd Trading days 24th/25th June 2006

Welcome to Green Living Family Fun days organised by One Ipswich Environment and Transport Theme Panel, Ipswich Borough Council in Conjunction with Green Living Centre (SEReNe). With Support from Greenways project, GO East, Suffolk County Council, Otley College, Ipswich Wildlife group, Energy Saving Trust Anglia Centre (ESTAC), Radio Suffolk.

IPSWICH The County Town of Suffolk is in the heart of East Anglia and the heart of Europe. It is the regional centre for business, shopping, sport and entertainment. It is proud of its 800-year Royal Charter and its long maritime tradition and also possesses a magnificent heritage and fine parks.

Chantry Park is a 126 acre grade II listed park located on the western edge of Ipswich, with easy access from both the A12 and A14. Ipswich has excellent park and ride facilities as well as numerous car parks and 5 acres of on site visitor parking.

We are anticipating a free bus service from the town centre in keeping with the concept.

FREE GARDEN DESIGN SPACES Show gardens or Garden design

There are 10 free spaces available the whole area must be dedicated to the garden design and will be strictly limited to promotional activity only (dismantling and selling to the public after 3.30 on the final day)

Please Note; Garden design space is limited and will be on a first come first served basis **early booking is advised.**

How to Book.

Booking forms are enclosed. Early booking is advised to benefit from discounts , deadline for discounts have been extended to January 31st 2006 due to the delay in despatch. You may send a cheque or easiest of all pay by debit card or credit card over the phone.

Exhibitors vehicles and access to site

Access for exhibitors will be from the Hadleigh Road Entrance from 3.00 p.m. on the afternoon of the 23rd unless exhibiting on the schools day which will be no extra charge access will then be on the previous day 22nd. from 3.00 p.m.

Exhibitor vehicles will be permitted behind stands.

Porters

The local youth groups will be offering a porter service to assist the public with their purchases to coaches or cars on the trading days.

Advertising Opportunities.

We will be producing a programme of events in the Circus and the second arena for the two days. Advertising space will be available at the prices on the enclosed advertising form. These booklets will be a useful form of advertising long after the event has taken place.

Promotion

The event will be promoted Locally, Regionally and Nationally in newspapers, radio, magazines and Internet, Posters and leaflets will also be distributed.

Entry passes will be sent with a map of the venue and your allocated space close to the event

We hope you will have a profitable and enjoyable time we will do all we can to help you achieve this . Our aim is to promote sustainability in a fun and educational way. To encourage people to consider their choices for the benefit of the environment and themselves by providing information on all aspects of sustainability , from simply enjoying the healthy past time of Gardening to consideration of alternative energy sources, sustainable transport, waste reduction, recycling , D.I.Y eco- building products to eco -friendly architectural design. Utilising local woodland products and services . and of course local food resources just a few of the expected attractions you will be helping us provide.
