“TEACHING WOODS” LINEHAM FARM, WEST YORKSHIRE 10-12 JUNE 2005

In association with the Royal Forestry Society Yorkshire Division's "Teaching Trees" project, "**Teaching Woods**" will appeal to anyone with woodland who wish to involve schools and young people. If you are a woodland owner and are thinking about inviting school groups into your woods then this event is for you.

Likewise you may be a member of a "Friends of" group and want to learn more about how to run organised woodland events for children. This weekend will equip you with some of the skills and ideas required to run successful educational visits that not only link to the National Curriculum but are also fun!

Lineham Farm is situated north of Leeds in peaceful countryside and provides comfortable shared accommodation in a renovated 17th century farm complex with its own woodlands, wetland and surrounding farm land.

**£50 per person for 2 nights residential, self-catering
£25 non-residential**

Places are limited so please use the attached booking form to reserve your place.

We are grateful to the Forestry Commission, Yorkshire and the Humber Conservancy for its continued sponsorship of this event.

For more information about the venue please visit www.linehamfarm.org.uk
